Our Strategy & Activities

MISSION	STRATEGY	KEY ACTIVITIES
LOVE	<p>Friendship and hospitality programs to connect international students to local Christians and families (Friends for Dinner). This is a partnership strategy between PAIS staff, the Church and the Missions organizations such as FOCUS, LIFE Ministry etc.</p>	<ol style="list-style-type: none"> 1. Families Hosting international students for dinner on special occasions 2. Help international students find housing 3. Provide accommodation for international students in some locations
	<p>Make international students enjoy their educational experience and feel at home away from home</p>	<ol style="list-style-type: none"> 1. Group outings and trips to discover and experience Kenyan culture 2. Connecting international students across different universities and campuses 3. Ask the students to have an experience of cooking food they enjoy eating most. 4. Help international students with physical & social needs
	<p>Airport pick-ups and drop-offs</p>	<ol style="list-style-type: none"> 1. Have team members volunteer to pick-up international students when they arrive at the airport. 2. Our volunteer team will, at request, drop-off students at the airport when they complete their studies.
